

Traditional Lunch/Breakfast Program to Return 2022-2023

As many of you are aware, the USDA has provided breakfast and lunch free for all students in our district during the pandemic. Recently we were made aware that this opportunity may be discontinued for the 2022-23 school year. As in years past, the availability of free and reduced meals will be made available through the same application process that was in place prior to the pandemic.

We are asking for any of you who might feel that they would be approved for free and reduced meals to fill out the application before the end of this current school year. By doing this, it creates a 30 day window at the start of the year for those who are qualified to continue receiving free and reduced meals as well as fee waivers. If you feel you would be approved for free or reduced meals, please fill out an application for this school year. An application for the 2022-23 school year will then need to be completed when your child starts the school year in order to remain qualified during the 2022-23 school year. If you are unsure about approval we ask that you please fill out the application anyhow.

The application for the 2021-22 school year is on the school website

(<https://www.blanschools.org/>) at this link:

<https://www.schoolnutritionandfitness.com/index.php?sid=1804122311115109&page=lunchapps>

You can fill the application out, send it back into the office at your child's building or email it to swindermanv@blan.org. If you have any questions please call our food services supervisor at 937-783-1212 Thank you.
